Parent Notices

Absence

If you do keep your child at home, it's important to **phone the school at 9am** each day. Let us know that your child won't be in and give a reason. Please don't just say that your child is ill – be specific and give a reason as this helps us determine if we have any health issues in school of concern and how to deal with these for example. chicken pox, covid, or any contagious infections.

You can use this NHS link to check whether your child can attend school or should be kept off

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

If we do not have a telephone message we may be required to complete a home visit to check your child is safe. This takes staff time and takes them away from other school duties.
